Dear Writer:

Thank you for submitting your work to The Christian Science Monitor ("Monitor"). This letter confirms our ongoing agreement ("Agreement") with you regarding this submission and any future submissions which we may publish after this date (including any photos, illustrations, or other copyrightable elements submitted with your text contribution) (the "Work").

For the agreed compensation, or in exchange for the opportunity to participate in this publication, you grant to the Monitor (and its licensees) 90 days exclusive worldwide rights (determined from the date of first publication by us in any edition) in all languages to unrestricted use of your Work in any and all media and formats now known or hereafter developed, (including but not limited to print, Internet, PDF, wireless, Webcast, podcast, etc.) and including in any and all editions of the Monitor (e.g., print, electronic, online, mobile, domestic and international, daily and weekly, and other branded social media channels (e.g., Facebook, YouTube), etc.).

After 90 days, you retain all rights, except as listed below. You retain exclusive book rights, and we will forward any book requests to you at the email address you have provided below. Please be sure to let us know if your email address changes.

After 90 days, the Monitor (and its licensees) retains nonexclusive, worldwide, royalty-free rights in your Work for the following purposes only:

1) Syndication in print newspapers and other print periodicals (including their electronic editions, if any).

2) Electronic distribution, such as electronic syndication, electronic information retrieval, digital delivery of audio/video and/or text, and other on-line and/or electronic services (e.g., Nexis, CD-ROM publications, Internet, electronic archives, archive licensees, and others).

3) Article reprints and in-context reproductions of published pages from any edition of the Monitor, such as Copyright Clearance Center uses, microform and digital microform, and Monitor retrospectives.

4) Broadcast uses, such as radio, TV, shortwave, Webcasts and/or podcasts (whether streamed or downloadable).

You represent and warrant that the Work does not violate any copyright or other right of any person or organization, or any agreement to which you are a party or to which the Work is subject.

This Agreement may not be modified by any invoice or other document you may submit to the Monitor, or the Monitor’s payment thereof. This Agreement may only be modified in writing signed by both you and the Monitor. This Agreement is governed by the laws of the Commonwealth of Massachusetts, U.S.A., without regard to choice of law principles.

Please sign below to indicate your acceptance of the terms described herein, and return by one of these methods: (i) email a scan to [redacted]; (ii) fax to [redacted]; or (iii) mail to the Editorial Financial Office at the above address.

Upon receipt of this signed Agreement and publication of the Work, the Monitor will mail payment(s) to you at the address below. Comment [YW1]: This is basically a "lifetime" contract that will cover the terms and conditions for all your work for this publisher.

Comment [YW2]: This may sound reasonable but look for the word "EXCEPT".

Comment [YW3]: This basically means that you will retain NO rights after signing them away to the publisher.

Comment [YW4]: Always negotiate, although this agreement leaves little room for negotiation.

Comment [YW5]: Note what law you will be subject to before signing the contract.
